FRONT OF NEEDLE CASE

Step 1. Trace pattern pieces to freezer paper. Using a warm iron, iron freezer paper to wool. Cut large and small flowers out of gold wool. Cut large flower center, scissor case and needle holder out of red wool. Cut small flower center out of white wool.

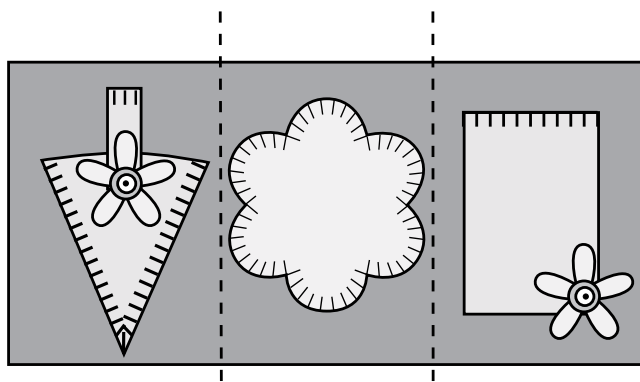

Step 2. Fold outside of needle case in thirds. Using red pearl cotton, tack flowers and flower centers down with a french knot in the center of the flower. Position flowers as shown below.

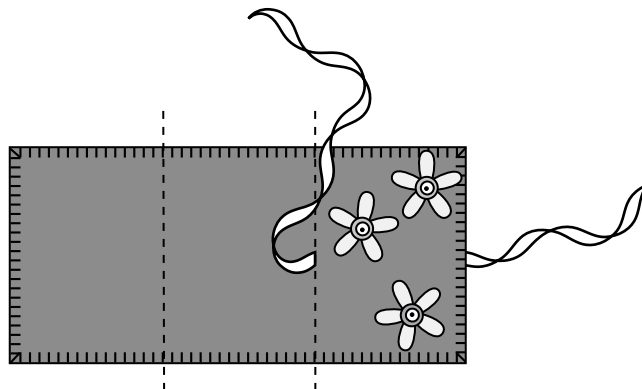

Step 3. Fold inside of needle case in thirds. In first section, blanket stitch using red pearl cotton around lower portion of scissor case. Blanket stitch top of scissor case tab to navy background. Using red pearl cotton, tack flower and flower centers down with a french knot in the center of the flower. Tack to bottom of scissor case tab as shown below. Glue a small piece of velcro to back of tab and top of scissor case. This will help keep your scissors from falling out of case.

In second section, blanket stitch with gold pearl cotton around large flower. When most of pin cushion is sewed on, stuff flower with sm amount of batting. Finish blanket stitching around flower.

In third section, using red pearl cotton, blanket stitch top of needle holder to navy background. Using red pearl cotton, tack flower and flower centers down with a french knot in the center of the flower. Tack to bottom right corner of needle holder as shown below. Leaving the bottom of the needle holder unstitched, will make it easier to pin needles on to holder.

Step 4. Blanket stitch ribbon with red pearl cotton needle case as shown below. Place a ribbon in middle of outer and inside layers of needle case as shown below. Blanket stitch inside and outside of sewing case together using navy pearl cotton.

Step 5. Fold needle case in thirds and tie closed with ribbons.
